THAI FOOD IS MEANT TO BE SHARED

Sharing is the best way to enjoy Thai food. We recommend you pick a few dishes from different sections to explore charming flavours from our extensive menu.

Thai people are obsessed with food. Walking down the streets of Bangkok, you are constantly bombarded by amazing smells of food. Here at Monkey & Me we strive to bring that authentic taste and lifestyle to you in London. You will be able to try various dishes just by sharing - as if you are walking in Bangkok with a handful of delicious food!

For four people, we recommend you choose 3-4 small plates plus either a salad, vegetable dish or grill as starters, then 4 large plates from different sections of the menu, plus rice if needed.

Still not sure what to order? Just ask our team members. We are more than happy to show you the best way to eat like Thai people.

We are committed to authentic Thai ingredients and are proud to partner with Thai Tana.
